

On behalf of my entire staff, I welcome you to our office. We are pleased you have selected us to care for your dental needs. We want you to know that we are committed to providing you with the highest quality oral health care in the most gentle, efficient, and enthusiastic manner possible.

In order to gather all the information needed to fully understand and diagnose your case, the Doctor needs:

Appointment #1 – At this appointment you will receive a complete dental examination that includes a comprehensive medical and dental history, a thorough clinical examination, x-rays (if you do not have a recent full set) and diagnostic casts as indicated. If appropriate, a cleaning may be scheduled on the same day as your follow-up visit. (Appointment #2)

Appointment #2 – This follow-up visit will be scheduled after the doctor has reviewed and analyzed all the information gathered. He will discuss his findings and recommend treatment and alternatives for your individual needs.

Except for emergency situations, you can expect us to be on time for you. We will appreciate the same courtesy. As routine office policy, no charge will be made for rescheduling your appointment, provided a 48-hour advance notice is given.

Payment is required at time of service. For those with dental insurance, you should be informed that we do not accept direct payment from the insurance company. To facilitate your insurance company reimbursement, we provide the appropriate forms to submit with your claims.

Any questions you may have can be answered by either calling our office or visiting our website at www.mstreetdental.com On the website you will learn our mission statement and get acquainted with our office and procedures.

In case of an emergency, I may be reached at home by calling 561-248-0436. We are looking forward to a relaxed and pleasant visit with you.

Sincerely,

Johnathan A. Slate, DMD
